
**Guidelines for attending Mass during this
first phase of opening.**

Enter only main entrance at front of church

Exit only side to parking lot (only physically handicap parishioners may enter)

Social distancing: Stay 6ft apart unless you live in the same household. Pews have been marked off as to where you may sit. Families may sit together.

Masks: Must be worn at all time except for Holy Communion

Hygiene: Please use hand sanitizer as you enter the church.

Hymnals & Missalets: All have been removed.

No Congregational singing (for now)

Offertory: No formal collections. Baskets at exit of church.

Bulletins: Please view on line at Parishes online or on our Website
www.stmarysfairhaven.org

No congregating or socializing in parking lot.

Please leave the premises as soon as Mass is over.

We know this is difficult to do as we have not seen one another in so long. But if we follow these guidelines, we will be able to get back to the way it used to be a lot sooner.

Only the handicap restroom on main floor is available.

The lower level is closed off.

As soon as we receive information regarding Faith Formation and the Holy Sacraments of Confirmation and 1st Holy Communion, we will let you know.

We will get through this together. May God bless you!
