

Hello brothers and sisters!

Lent has come knocking once again! Last year, Lent was so minimal in our lives due to the coming of the Coronavirus. This year, the virus still looms among us. It does not look like we will be having a parish mission this year. We will have our annual Lenten calendar, and Lenten readings booklet to follow. We will have Friday Stations of the Cross, and a Mass to follow. We will have a Lenten Penance service. And now, I invite you to a daily sharing with Matthew Kelly, renowned speaker with Dynamic Catholic. This will be the little jolt you need to find Christ in your prayer each day. Please connect to the link below, and sign on. I am doing the same. We can talk about what he shares!
